Submission: Objection

Comments: The proposed usage to house asylum seekers will be likely to have a detrimental effect on crime rates, loitering and begging. This will harm the town's tourism industry as it is located only 600 yards from a 5 star hotel and 700 yards from an internationally renowned opera house.

I do not therefore feel that proceeding to grant the application would be in the interests of the town, its residents or its visitors. Please do not proceed with this.
