Comments: Don't be stupid HPBC, you're supposed to do what's in the best interest of your constituents and judging by the comments in the community you seem to be totally out of touch with those you supposedly represent. I've seen family's from Ukraine being welcomed to our town, people in real need, generally looking at other asylum centres will cause nothing but issues for the town are not welcome. You best reopen the police station and hospital A&E 24x7 as there will be all kinds of trouble of which you will be accountable if you go ahead with this scheme that is unwanted by your voters. We can see Buxton does not have the infrastructure for this influx, it can't even cope with the high volume of houses you've passed the this past 5 years. Approve this and you will reaffirm what a bunch of incompetent people you are.
