Submission: Objection

Comments: I strongly object to this proposed change of use for the halls. Whilst it doesn't mention it in the application, we are all aware what the proposed will be an asylum dispersal centre. This has been secretly pushed through without a thought, or public consultation for how it affects the town, shops, businesses as well as the wider problem of lack of infrastructure to cover this ie: policing and medical care, in a town that already has a part time hospital and police station. What you are proposing will ruin the town. I would strongly urge you to return this unlawful application and listen to the people of the town.
