Submission: Objection

Comments: I hereby object to derby university, planning application to turn the former halls of residence into an asylum dispersal centre.

There has been no consultation with the constituency of the town, to gave opinions and collate feedback, we pay our council tax to live within the town, but have not once been asked for our opinions.

Buxton does not have the infrastructure to cope with this farcical plan, there are not enough Drs, dentists or jobs to go around.

There is no longer a working police department within Buxton so how is an increased crime rate going to be dealt with.

The citizens of Buxton take pride in where we live and feel we have been totally let down by HPBC.

Buxton prides itself on been a tourist spa town with some beautiful place to visit, yet this will no longer be the case if this plan goes ahead, you will destroy businesses and livelihoods, we crime increases.

As a tax paying citizen please reconsider this ludicrous idea.
