Submission: Objection

Comments: I object to this planning application for the following reasons.

This application will have a negative impact on the town which relies heavily on tourism. People are already commenting they will no longer come to Buxton if it goes ahead.

Local services will be even more stretched Doctors, Dentists and the police force will be overwhelmed.

The security and safety of local residents will be compromised as the identities of these people is unknown.

I feel this will have a negative effect on our town and therefore object to the application.
