Comments: This application is completely inappropriate for the town. It has no economic benefit and will undo all the hard work done in recent years with the Crescent development etc. to further promote Buxton as a high quality tourist destination. Being born and raised in the town, with family still in residence, I worry about the crime and safety implications this proposal will create. The history and reputation of the town will be greatly impacted if this goes ahead, and will have serious implications for the future of Buxton, its residents, young people and the neighbouring areas.
