Comments: This application is detrimental to the town: it's people, businesses and tourists.

For those who appear to not be aware - Buxton is a spa town, famed for its waters and along with the towns history, it's has attracted visitors from far and wide for centuries. Not only would approval Of this planning application severely affect the tourist trade that will consequently affect local businesses, the town neither possesses the infrastructure nor the resources to accommodate nor provide the necessary support for the intended occupants. Locals who currently have pride in the town will no longer feel safe and it will not be a place where families can freely roam without worry. I hereby declare that I thoroughly oppose this application.
