Comments: This is so wrong. I do not support the application. The town is not big enough, doesn't have enough support from police, drs dentists etc. It will have a massive negative effect on the town, shops, and also as a tourist hotspot. I'm concerned for the safety of my children, as it's been highlighted in several other areas the crime that has massively increased when asylum seekers have arrived . Start thinking about the effects this is going to have instead of money in your pockets.
