Submission: Objection

Comments: The town is not suitable to house migrants, particularly in an area that already has a serious drug use/dealer problem. There are not enough police to control the potential trouble that may arise from having 500 wondering about, potentially with no known documentation or history. It will make the town completely unsafe especially given the number of vulnerable people living in Buxton. What about homes for local/UK homeless residents. Preferential treatment is being given. Buxton is a tourist town with a rich history and this will destroy the economic and cultural part of the town.
