Comments: The crime rate so high in Buxton and the Police, doctors, schools already stretched it would be unwise to add more to the growing list of issues. To house asylum seekers in our town would bring an influx to our town. On one knows who they are, what their like, what they have witnessed.. I wouldn't feel happy or safe to allow my children to play on our street with their friends, I would feel massively uneasy to walk anywhere alone. Use the building to house local people who have been waiting for housing and going down all the correct channels.
