Comments: The spa town of buxton is not in anyway able to deal with the numbers of immigrants you are thinking of bringing. Looking at other places that have had this done the crime rate rises and so does all aspects of antisocial behaviour, do you really think we have the policing resources to deal with that when it takes them 2 days to respond now ?

This should not be allowed to happen and will bring down the ethos of the town. As you slogan says " working for the local community " So maybe do that instead.
