Submission: Objection

Comments: I object to this application because:

- . Buxton does not have the infrastructure to manage a new influx of people
- . The whole planning application has been kept in the low from local residents which is disgusting.
- . The time of the meeting has been purposely changed so the working people can not attend. Sly and abhorrent.
- . The safety of the residents of Buxton should be the main priority and if anybody is injured as a result if this ir suffers a loss I believe HPBC should be help liable.
