Submission: Objection

Comments: I object to this as Buxton does not have the infrastructure in place for this no NHS facilities for residents already. I recently received a email from Buxton medical practice to state they were in crisis. Also it is in an area that I am lead to believe by a Derbyshire drug squad officer is the worse area in the whole of Derbyshire not to mention the duty of care HPBC have for the safety of its residents that a influx will have on the town as has been proven all over the country where these centres have been opened
