Comments: This will ruin Buxton, and put lives at risk. The pressure on our facilities is already through the roof. There's absolutely nothing for children to do now let alone when you ship in more. The ethnic group you are proposing to house here will not integrate into society and will be hanging around in groups, intimidating young women and ladies crime and drugs.

We don't want or need this in our town.

The local economy will be ruined as tourists won't come. The pavilion gardens will be full of migrants and start to look like Piccadilly gardens. It's our town, we look after it. Leave it that way.
