Comments: I worry that my child who travels to and from Buxton and has to get the bus from outside the halls wont be safe. The government have already cancelled the trains running to dove holes so this is the only option my child has. I think it's terrible how our children aren't being put first.

Having bought a house in the area 2 years ago, I'm not very tempted to sell and move back to North Yorkshire. My family's safety is paramount to me and the council should be putting our local people and children first.
