Comments: This Planning should not be allowed to go ahead many of these asylum seekers will be predominantly men, the town is already struggling for work and with a police station closed from 5pm along with minor injuries, the town cannot cope with more crime, the police have also apposed this application.

We have 4 major schools that are full, and our children could come to harm, especially young girls, as the culture of many of these people is much different to our own. Young girls will be vulnerable * and this would be on the hands of HPBC. I really hope sense is seen on this matter as a disgrace to the town. Shops are closing, so there isn't jobs so please rethink your proposal and see sense.
