Submission: Objection

Comments: I fully object to this planning application and the underhand way in which it has been conducted. I have every sympathy with anyone seeking asylum in a safe country especially women and children, as this is single person occupancy rooms I suspect this accommodation will be to house single male occupants and therefore Buxton simply isn't the place. As a town that relies heavily on tourism I believe should this application be successful, our beautiful but already struggling town would become a no go zone. As a mother of young girls this plan frightens me and I would not let my children enter the town centre and would instead take them to other towns such as Bakewell. We do not have the infrastructure in place in Buxton to accommodate 200 young single men. This application should be swiftly denied.
