Submission: Objection

Comments: It is absolutely ridiculous that this is being considered.. not only do we not have the infrastructure for so many people. Buxton already has issues with the Fairfield area, crime and drug related incidents so this will only add to it. I myself will not be visiting Buxton if it goes ahead, and this has been reiterated by several people I have discussed it with. The local economy will suffer greatly and more shops will end up closing if it goes ahead. Use the building for something useful instead.
