Comments: Absolutely disgusting that you can even think of putting forward a plan of action like this in such a small tourist town. The services are inadequate for the population of the town already. What curfew have they got, do they have to report in numerous times away. Do they all have valid I.D papers. Have they been vetted, to see if they are not sex offenders or serial offenders.

Apparently they are ensuite bathrooms, but separate shared kitchens where Christian will cook pork etc, where Muslims won't. It won't be long before it ends in tears.

Stop this madness now and save a lovely town from disaster and destruction through your ignorance, before the price becomes too high.
