Submission: Objection

Comments: I'm objecting to the planning. The proposed planning is dangerous

1) businesses: having a migration distribution centre in a small town will be devastating to local businesses because people will not want to come to Buxton to enjoy it

2) devaluation of homes. Who will want to live in Buxton where an asylum distribution centre is (this will devalue the houses for anyone who lives in Buxton).

3) Buxton will become an unsafe place to live and walk
