Submission: Objection

Comments: Putting an asylum centre in Buxton is just asking for trouble as the people being housed in there will only bring trouble to the door just look at Calais port and what thea refugee's have been doing there. Surely we don't want that sort of trouble in such a small town with enough problems of it's to deal with. The police haven't got enough resources to tackle the problems already in Buxton without potentially bringing more trouble to the town.
