Comments: Planning would not be in accordance with High Peak local plan policy S7 - Buxton sub area strategy.

In addition, we do not have enough police to provide any kind of support, the town already has enough problems with drugs, break-ins, car and bike thefts. Fairfield Road is notorious for drug problems and put this building right next to that area would exacerbate the situation. The town does not have adequate infrastructures in place to support a large increase in the population. We would be fearful for our young people and children. We would also not be voting for labour in any future elections.
