Submission: Objection

Comments: There are not enough resources for local people e.g dentist, doctors so how will 300 vulnerable people be supported? The home office scheme Project Unity is being launched in Buxton due to the existing issues with organised crime, weapons and county lines, and yet it is thought the introduction of 300 vulnerable individuals is a good idea! Strategically it is madness and will not benefit the community, it will only benefit the University who will be charging huge fees
