Comments: We do not have the amenities to support the people that already live in our town let alone allowing over 200 more people in. The crime rate has risen in the 5 years alongside funding cuts for policing. Allowing this to go ahead means more people to have to monitor. The drug use related to this crime has also increased. Buxton needs to be a safe and secure town and all of these changes do not appear to consider what the people of Buxton want at all
