Submission: Objection

Comments: Dear Sir/ Madam,

I am opposed to this application, it is both misleading and irresponsible. Whilst the handling of Asylum seekers continues to be a complex national problem; redevelopment of this building will add pressure to a small town that is already lacking in services and amenities. Doctors appointments are hard to come by, schools are at capacity, the high Street is in decline, jobs are increasingly based outside of the town centre and the police and hospital services are increasingly being moved to larger towns. The most vulnerable residents already living in Buxton will see their living standards fall further and we will fail to offer the care required to those seeking asylum.

Yours Faithfully

Tony Ponsonby
