Comments: What on Gods earth are the University of Derby thinking of. Our town of Buxton is already saturated. It is NOT fair to put our NHS under undue pressure. Also our police services too. The crime rate will go through the roof. Why can;t this building be used to house or accommodate the elderly or homeless persons or persons struggling to find somewhere to live. Especially being as the need for housing is at an all time high. I do feel sorry for the migrants they will sap already depleting diminishing budgets. For the above reasons I deeply strongly oppose this planning application request.
