Comments: I really don't understand how Buxton as a town can benefit from this proposal or how we can help the people that are needing this accommodation. We don't have the services ourselves. We also struggle to keep a few people on Fairfield road from causing trouble, how do you expect to control so many people in one place with god knows what background. If this goes ahead it'll make Buxton a miserable place to be, live and work. Definitely shouldn't go ahead
