Comments: I fear this planning is not being properly considered for our town. We have an already dying street and this would drive the last nail in the coffin for it. Tourism would decline which all local businesses benefit from and the crim rate would rise, being as we hardly have a police force here anymore let alone an open police station this could have a catastrophic impact on not only the local people of Buxton but people visiting too. There are so many people in town struggling to find a place to live already, do you not think it should house them??

Please reconsider this action.
