Submission: Objection

Comments: We strongly object to the application no HPK/2023/0189, High Peak Halls in Buxton. The conversion of the now empty student halls into an asylum dispersal centre is an utterly misguided idea. There is neither the infrastructure nor the facilities to provide for a large influx of utterly vulnerable, traumatised human beings. What is there available for these people to aid their integration into Buxton. Very little indeed! Buxton residents are up in arms for various reasons; some valid and some just plain xenophobic. Whatever the causes of concerns are, the disservice to asylum seekers and equally the locals clearly outweigh any benefits. So, please, do consider all pros and cons very carefully because there appears to be many more cons than pros with this plan. Mr & Mrs Slater from Buxton
