Submission: Objection

Comments: The access to the proposed site is off a private road. Only residents of Bank Hall are allowed vehicle access, otherwise it is classed as a footpath. Local people use the road to enjoy peaceful walks with their families and dogs. Extra traffic on this narrow single track would be a danger! There are no safe passing places along the track.

The proposed site is close to Chapel-en-le-Frith High School which causes a Safe Guarding issue.

There is already an existing campsite operating across the lane from the proposed site, and another one operating a few miles away in Combs, all of which offer great facilities. Another site is not necessary.

Bank Hall residents do not have a refuse collection and leave their rubbish at the bottom of the lane. How will the waste be dealt with on this proposed site? Where will the rubbish be kept for two weeks before it will be taken. And that extra amount dumped at the end of the lane will not only be an eye sore for the residents on Long Lane, but also a health risk to those walking past.

There are no proper services to the proposed site or Water, drainage or sewage.

I strongly object to this proposal!!!
