Comments: This is very worrying for Buxton residents, personally I am particularly concerned for the safety and we'll being of our young teenagers elderly and vulnerable people of our much loved town.

Buxton has enough crime as it is, with little to no police presence.

This will be a major impact on our tourist industry, local shops and our whole community as many people will have second thoughts on visiting our beautiful spa town and residents will be very nervous venturing out & about in their mostly peaceful home town...
