Comments: I think this is a terrible idea. This is a tourist town and when word gets out we will get no visitors. What is the point of opening a 5 star hotel to end up having 300 young men wandering the streets with nothing to do. We know nothing about these people. Im all for giving people a chance e.g the Ukraine families in town but these people have travelled through numerous safe countries to get here! Our country is busting at seams and we cannot cope let alone a small town like Buton.
