Comments: I strongly object to these halls being used for asylum seekers! We have tons of people looking for affordable accommodation in Buxton who are struggling. Why cant they be turned into flats or something better for the younger generation around here! Why are we even contemplating this?! This will ruin Buxton as a quaint, safe little town and encourage more asylum seekers to come here, it won't just be a few and then stop, eventually all their families and friends will seek refuge and Buxton will be swamped! No one is happy about this and it honestly makes me want to move away from the area! What about looking after the people who reside here and have done for years first!
