Comments: I object this planning application as I fear it will crush the community and beauty of Buxton Town. I also fear for safety of the vulnerable in Buxton if this application was to go ahead! Buxton is a tourist town and had been for hundreds of years this would be soon lost if the planning would go ahead and many people would lose businesses and jobs which they have work so hard to get back after covid. I feel the money should be spent on ensuring Buxton is made to its purpose which is to accommodate tourist and young adults as they are the next generation on keeping what community we have left!
