Submission: Objection

Comments: I strongly object to this planning application on the grounds of the safety of the locals and those students who will still be accommodated within the locality. Housing this many young men who we know absolutely nothing about is frankly vile and ill thought out. these young men should not be held anywhere near the local population until ALL relevant checks have been performed AND their claims for asylum validated/approved. This will stir up a hornets nest as we have seen in other areas where these economic illegal migrants have been placed and could mean that they are also placed in danger.
