Submission: Objection

Comments: I object these planning matters on the grounds that i believe these buildings will be turned into homes for asylum seekers. How can we accept (247 people) into the area when there isn't enough doctors, dentists ect in the area to care for the population already! With this crime would also increase drastically. We've seen what these asylum seekers have done in different parts of the uk on the news. Buxton is a small town, filled with vulnerable old people. I believe with the influx of asylum seekers these people will be but at risk! Not only this but i believe theres a better use of these buildings such as affordable flats for the current population.
