Dear Sirs

Re: Planning Application Reference No: HPK/2023/0189

With regard to the above application, having spoken to the licensee of our Railway Hotel, which is the public house directly adjacent to the above, we do not appear to have received any of the usual correspondence notifying neighbours of the planning application received. Unfortunately, this has not given us the opportunity to make any representations regarding the application.

Having now located the application via your website we note the amount of local opposition to this application, and would like to record our support for the local opposition, and lodge our objection to the application based on the effect the proposed use will have on the neighbourhood and local infrastructure.

Regards

Denis Maddocks
