Submission: Objection

Comments: This has to be the biggest ever mistake any one can make to let this go ahead we have 0 police in buxton to deal with the chaos coming if this goes ahead as a parent with young children it will make buxton very unsafe * we are a small town not a city everyone knows each other and know the families and you are going to jeopardise our future children and generations,we'll I for 1 need to move if this goes ahead as will so many others as it will no longer be a safe haven for our future generation we know nothing of these seekers who are 70 single men being placed *it's disgusting maybe the councils should come view how small our town really is as there is no capacity for this
