Submission: Objection

Comments: I totally object to the planning application from Derby University for High Peak Halls to be changed into bedsits for asylum seekers. I cannot imagine what it would be like to think of 800+ male individuals residing in that small town centre area. I really think Buxton has more than enough problems around the corner on Fairfield Road where I don't think one day goes by without an "incident" occurring and police having to attend. Considering that Derbyshire police are objecting to the planning application, does that not tell you that it would create huge problems in the town? Buxton is on a downward spiral already, please do not put this planning application forward. All the town people who are showing their objections to this application would like to see Buxton turned around to the beautiful town it once was and somewhere to be proud of
