Comments: Myself and my family are deeply concerned over the possible influx of 200 plus male asylum seekers

Into the university halls. My main concerns are peoples safety, ruining our tourism and its monetary boost.

Our town is too small for so many asylum seekers. I understand these men need housing but 200-300 is a ridiculous

Amount for such a small town. It's obvious to me that the financial gain offered by the government out ways what our lovely

Town is going to lose. Disgraceful. more and more shops close, due to lack of trade

Due to lack of trade
