Submission: Objection

Comments: My husband, son and myself object strongly to the planning application to change the student Halls in Buxton from students to non students. As we understand it the halls will be used for asylum seekers mainly 274 men.

Where are these men going to spend there time in Buxton.

No doubt hanging about the shopping centre in bad weather and the Pavilion Gardens in nice weather.

The whole scenario sounds like a nightmare. We live in a small town with little or no facilities and is a place visited by tourists to enjoy the surrounding country side and staying in our hotels and using our restaurants.

Will anybody really want to visit somewhere where there are gangs of men hanging about on street and in the jewel of the crown of Buxton which is the Pavilion Gardens. We for one will not be using the shops in Buxton town centre if this becomes the case.

This will ruin Buxton and make people scared in their own town. Please dismiss this application.
