Comments: I dont feel this will be the best use of the former halls, Buxton is already struggling with its empty shops and lack of housing for young adult's wanting to leave home that can't afford to in todays climate. Visitor numbers will drop and parents of young girls in particular will not feel safe, the police are even concerned about this. I see from the workmen in already this message is futile ad it appears to be a done deal however I have the right ro a voice when something concerns the town I have been born and raised in as I now believe its time to up sticks and leave !!
