Comments: As a Buxton resident,I am very unhappy by how the council is trying to sneak this planning matter through,.This town depends on tourism which is the only thing keeping it going,it has so much to offer yet the council probably most of which don't live in the town,are happy to make a quick buck.Having so called asylum seekers in the town,will make it unsafe and the areas and pubs around the area will become a no go area,just look at the other areas of the country where they are.The trouble is if your not effected by it then you don't really care.Think ill move back to Bakewell no chance of it happening there.
