Comments: Working in Buxton in retail as a manager I would not feel safe with the amount of asylum seekers coming. We would consider as a business if things were bad along with other local retailers at closing our business if affects then less tax for the council. Dark nights I would not feel safe. We have been told by customers they will start shopping in Macclesfield, bakewell and Ashbourne if they feel unsafe. How to kill a tourist town. Will the council pay our wages if we lose jobs, pay for lives?
