Submission: Objection

Comments: I object to this application. The infrastructure of Buxton is already struggling and under immense pressure. There are insufficient doctors, dentists, police, school places, jobs, shops and leisure facilities for the current residents of Buxton and this unsustainable situation will only worsen upon completion of the hundreds of new homes already being built. To then consider accepting 300 or so to add to this problem - with no benefit to the town - is preposterous and will only be detrimental to already overstretched resources and our economy through affected tourism.
