Comments: Buxton is a small tourist town. Locating 300 asylum seekers in the halls of residence will damage the town in respect of the tourism, the shopping experience, the atmosphere of a beautiful market town and the safety of our people who will be afraid to walk alone through the town after dark. We do not have the infrastructure to accommodate 300 asylum seekers (with no jobs and nothing to do all day expect wander the streets). Turn the halls of residence into cheap affordable accommodation for local people !
