Submission: Objection

Comments: In the accompanying CLoPUD letter it states ¿ This provides greater flexibility to minimise vacancy now that the building is surplus to University of Derby's requirements. Notwithstanding, University of Derby is intending to maintain the provision of non-self-contained housing as existing, as a clear need for this form of budget accommodation within High Peak Borough has been identified.¿

What use is this as a reason if no one from the High Peak is going to be housed there. Bringing a further 250+ people from outside the area will only add to the problem.
