Submission: Objection

Comments: I am objecting to this application based on the fact that I had a similar establishment next door me run by The Boys and Girls Welfare Unit.

The disruptions and misery it caused was unbelievable, enough to effect my wellbeing.

The Emergency Services who will no doubt confirm, the endless call outs they had to the young people and none of the call outs could be justified.

The site entrance is on the brow of a hill, on an already very busy road.

Vehicles are constantly over taking in both directions in front of the entrance to the proposed site, and with the increase vehicle movement to and from the Manor House, this will be an accident waiting to happen.

The impact the last Children's Residence had on my family was totally devastating, with sleepless nights, constant sirens and damage to my vehicles and property.

On one occasion there were two young girls, aged twelve and thirteen years old outside my house at 4am knocking on the door because they couldn't gain access to their property. The staff were fearing their own safety.

My privacy was taken away from me, I had to listen to permanent foul language, children fighting outside with staff members, my life became a nightmare.

I am older now and could not face this problem again so close to my home.

The Boys and Girls Children's Welfare Unit was closed because of permanent problems it caused to the Police, all the other Emergency Services and the Residents.

I now have young grandchildren and don't want them to be subjected to the disruptions, constant noise and foul language, I want them to be able to play outside in total peace of my home and garden.
