Categories:

Hi Rebecca,

I confirm receipt of re-consultation and revised information.

With regard to my initial comments dated 21/06/2023 and in reference to drawings:

- *Proposed elevations revised. 007.*
- *005.2 proposed GA Plans 02 revised.*
- *Heritage statement – revised.*

I do not see any improvement or alteration in the project, nor do I see any improvement in the heritage statement. It is still seen to lack any real analysis of the area and setting, in order to reach a conclusion that it will have minimal harm.

My conclusion remains as was and therefore I will not be supporting this project.

I will note there has been correspondence to inform that the structure was built at some point. This will need rectifying.

Regards

In your communications with me please always quote the planning reference number if you have one.
