Submission: Objection

Comments: The large shed placed in the front garden of a Victorian town house is wholly inappropriate to the whole road. I think it would be more appropriate at the back of the house. I feel it will set a precedent for others to follow to the detriment of a lovely Buxton suburban road. The visual impact on myself each time I leave the house is upsetting. I have had trouble getting on line to fill in the form - I tried many times, putting in all the details but to no effect. My daughter helped me and said I only needed to put in the address and it worked! (why does it ask for all the other details?) I hope my objection will be taken into consideration given the above problems.
